

IndyCar® Series Road/Street Course Qualifying Procedures

SEGMENT ONE:

1. All cars shall participate in one of two groups for 20 minutes per group inclusive of a full-course yellow condition, with only the fastest six cars from each group advancing to Segment Two. Cars shall be assigned the same groups as Saturday Practice Session Three. League shall impound the fastest six cars from Group 1 until the checkered flag is displayed on Group 2.
2. Segment One shall determine positions 13 through the end of the starting field to be ranked in order of time, with the 13th best time occupying the 13th position.

SEGMENT TWO:

1. Segment Two shall consist of one 15-minute qualifying group inclusive of a full-course yellow condition, with all times from Segment One having been voided. Only the six fastest cars shall advance to the "Firestone Fast Six." This shall begin five minutes after the conclusion of Segment One.
2. Segment Two shall determine positions 7-12 to be ranked in order of time with the seventh best time occupying the 7th position.

SEGMENT THREE:

1. Segment Three shall consist of one 10-minute qualifying group, of which five minutes is guaranteed green condition time, with all times from Segment Two having been voided. This shall begin ten minutes after the conclusion of Segment Two.
2. Segment Three shall determine positions 1-6 to be ranked in order of time, with the best time occupying the pole position.
